

26 April 2010

Dear *Facts for Learning* Subscriber:

I am writing to share with you our decision to discontinue publication of *Facts for Learning* as of 30 June 2010. In keeping with our subscriber agreement, you will receive a prorated refund of license fees due you for the unused portion of your subscription.

Facts for Learning has offered access to the complete Weekly Reader Archive and other content collections since 2002. With the recent launch of our classroom magazines in whiteboard-ready, interactive editions, and the publication of our new supplementary reading program, *Weekly Reader Connect*, the time has now come for us to devote our energies to other, more engaging ways of reaching students and teachers. We invite you to see for yourself at <http://weeklyreader.com> and <http://wrconnect.com>. If you like what you see, and we certainly hope that you will (!), please contact us using the links on those pages or by phoning us at 800.446.3355.

We are grateful to you for your support and patronage of *Facts for Learning* and hope that we can continue to provide you with quality educational materials in the years to come.

Kind regards,
